

Acme Global Technologies — Employee Leave & PTO Policy

Policy Document ID: POL-HR-2026-01 | Effective Date: January 1, 2026

1. Paid Time Off (PTO) Accrual and Tiers

All full-time employees accrue Paid Time Off (PTO) on a bi-weekly payroll schedule according to their years of completed service:

- 0 to 2 years of tenure: 15 business days (120 hours) per calendar year.
- 3 to 5 years of tenure: 20 business days (160 hours) per calendar year.
- 5+ years of tenure: 25 business days (200 hours) per calendar year.

Part-time employees working at least 20 hours per week accrue PTO on a pro-rata basis.

2. PTO Rollover and Expiration Rules

Employees are encouraged to utilize their allocated PTO during the active calendar year. Up to a maximum of 5 unused PTO days (40 hours) may be rolled over into the subsequent calendar year. Any carried-over PTO must be fully utilized by March 31 of the new calendar year, after which unused rolled-over hours expire and are forfeited without cash payout, in compliance with standard corporate policy.

3. Parental and Family Bonding Leave

Acme Global provides comprehensive paid parental leave for welcoming a new child through birth, adoption, or foster placement:

- Primary Caregivers are entitled to 16 consecutive weeks of 100% company-paid parental leave.
- Secondary Caregivers are entitled to 8 consecutive weeks of 100% company-paid parental leave.

Parental leave must be commenced within 12 months following the child's birth or legal placement date. Employees must submit their planned leave schedule to People Operations at least 30 calendar days in advance.

4. Bereavement Leave & Unpaid Sabbaticals

Employees are eligible for up to 5 days of paid bereavement leave for immediate family members (spouse, child, parent, sibling) and up to 3 days for extended family. Furthermore, employees with 3 or more continuous years of tenure may apply for an unpaid personal sabbatical of up to 90 consecutive calendar days, subject to Director approval.
